Legendary jazz-funk bandleader and horn player, RANDY MULLER, will be present in SOUL BROTHER RECORDS' Putney store on 13th November 2010 at 2pm to sign copies of the three '70s Brass Construction albums that Soul Brother is reissuing on CD (for the record, the titles are the group's '75 self-titled debut, 'Brass Construction,' '76's 'Brass Construction II' and '79's 'Brass Construction V.'). He'll also be happy to talk to fans about his life and work, so don't miss what will be a rare opportunity to meet one of the pioneers of '70s funk.
