MARY J BLIGE completists will need to know that the feisty lady is featured on rapper T. PAIN'S new album, 'Thr33 Ringz'. Ms. BLIGE takes lead vocals on 'Change' - which draws heavily on TOMMY SIMMS' wonderful 'Change The World'. As is often the case with rap albums there are numerous other guests, including MUSIQ SOULCHILD and RAHEEM DE VAUGHN. They add vocal support to a tune called 'Reality Show'.
