Fans of '80s boogie and soul grooves will rejoice at the reissue of several key albums from that decade by the Netherlands-based label, PTG/Vinyl Masterpiece. The label's catalogue includes in-demand albums by STARPOINT ('Wanting You,' 'It's Delicious,' 'Keep On It' and 'All Night Long'); MAGIC LADY ('Hot 'N' Sassy'); ATLANTIC STARR ('Radiant,' and 'Brilliance'); VAL YOUNG (her 1985 Motown-set 'Seduction') and the Bar-Kays ('Night Cruising'). The label's newest release is a reissue of the late GWEN GUTHRIE'S self-titled Sly & Robbie-helmed Island Records' debut from 1982, which included the club hit 'It Should Have Been You' (the extended 12-inch mix of this track is also included on the CD reissue).
