

Think it was back in 2015 that McCREI (sisters Leanne and Shannon McCree) enjoyed a #2 soul hit with their easy on the ear dance tune 'Show Me'.

New mixes of the tune gave the song longer legs and right now one the original mixers, the ubiquitous Nigel Lewis, offers yet another new tweak – the "Special K" mix – the essence of the original remains though Nigel adds a little more disco bounce and his usual Philly string-driven flourishes.
