For their latest single, dance dons, LOS CHARLY'S ORCHESTRA have teamed up with Brit soul maestro, OMAR. Their collaboration is an energy-fuelled dancer, 'Fire'. It's a 21st century take on the glitter ball era as the two mixers suggest.... the "Neo Soul Disco" mix and the "Classic Disco" mix. Not much to choose between them... depends whether you like femme choruses and linn drums. There is, of course, an instrumental rendition too.
